need a better horse? then this DLC is for you!. Kewl looking horses yo!. This pack will give you four pretty manly looking horses with incredibly high stats. This effectively lets you skip the horse stat grind in the main game. Normally I would oppose cheat DLC but horse grind in SW4-2 is incredibly pointless and tedious. So this is not really a bad pack if you want to pay for it. I believe you can unlock a better horse than any of these in the game through challenge mode though.. Kewl looking horses yo!.
